

## Home-Coming Column

W. F. Schlueter is going to put the Jackson brass band in good trim for the Home Coming meeting in August.

Watch this space for the advertising of attractions for the Home Coming.

Everybody is beginning to talk Home Coming. This home coming meeting will certainly be attended by all who ever lived in this county. It will be a fine opportunity to visit the old home county, see friends and relatives and make new acquaintances.

It is about settled that the State Encampment will be held in Jackson in August at the Home Coming meeting.

Remember the Home Coming meet will be in Jackson Aug. 27, 28 and 29. At this time of year farmers are at leisure and business men are over their rush. Three days spent in re-newing old friendships and seeing childhood scenes will repay anyone for his trouble. Memory is one of the greatest faculties with which we are endowed and there is nothing that gives us more satisfaction than to refresh our memory with experiences of successes or failures that happened in our old home county or town. It is an opportunity offered for all old Cape County natives to spend three happy days and it is the duty of us here to accord to them a hearty welcome.

## W. C. T. U.

The W. C. T. U. will hold a public meeting June 7th. Program and palce will be published in next weeks paper. Everybody get ready. Those meetings are always a benefit to all, each one present realizing it was good to have been there.

A senimole Indian expressed in his way just what has always been a puzzle to the generality of the people. "The white man first license a man to drink, then he license another to sell it, then he hire a policeman to catch man who drink it. When they come out jail they drink more put in again. We don't understand."

"No liquor shall be sold, served or brought into the convention hall either at the committee meetings or during the convention week." The best and safest rule for the welfare of the Republican convention to be held next month in Chicago they have ever formulated yet. In the language of the darkey preacher, "The world do move," and we want to add and in the right direction.

Senator Martin of Virginia having made a speech in Congress in which he said that gambling on bridge whist by women was doing more harm than racetrack betting. A lady who refused to give her name called him up by telephone and said, Gambling at bridge is much more serious than you have any idea of. It has become so bad that besides losing more money than they can afford, a great many women are neglecting their homes, their husbands and their children in order to devote themselves to the game. —Home Herald.

Missouri has closed 300 saloons since Janaury 1st. Great reason for rejoycing among the temperance people. Let us see that there is no going backward but constantly work and weary not in well doing.

One of the best things we have heard of lately is the rule made by the Penn railroad. Prohibiting profanity by their employes while on duty. Every woman with any degree of refinement will rejoice. Next to the swearing sailors comes the profane railroaders. We were once told by one of them that they "really do not know that they do swear"

so. Have gotten into the habit until it is common talk with them. Perhaps they will find out just how much bad language they do use, if they lose a fine position because of it.

### TEXAS LANDS.

1st. A tract of 350 acres situated in the George Orr League, about 4 miles from the town of Liberty, about two-thirds can be cultivated, and will raise fine corn, cotton, cane, tobacco, fruits and vegetables of all kinds, part of the land is under fence, small tenant house, barn, etc., and we will sell same for the sum of \$20.00 per acre, two-thirds cash, balance in 1 and 2 years with 8 per cent interest. The remaining part of the land is timber, which is good for posts, fuel, etc.

2nd. A tract of 75 acres situated within 1 mile of the court house of Liberty, all under fence, small tenant house, practically all of the land can be cultivated, small portion timber, the land will raise most anything that you plant on it, and it would indeed make a fine truck farm, as it would produce fruits and vegetables of all kinds, and as we are situated on a direct line of Railway between the cities of Houston and Beaumont, 40 miles from each, and fine railway service, a person could very easily market all that he could raise at either of those two places; and we will sell this farm for the sum of \$2000. Terms: two-thirds cash, balance in 1, 2 and 3 years, with 8 per cent interest.

3rd. A tract of 350 acres in the Joseph Young League, about 11 miles N. 5th. A tract of 250 acres situated in the L. D. Nixon League about 20 miles N. E. of Liberty, and within 4 miles of the Great Oil Fields of Batson, partly timber and partly prairie, and we will sell same for the sum of \$7.00 per acre. Terms: cash. This would be a fine investment, as all lands in this county are rapidly increasing in value.

6th. 73,000,000 feet of timber, about 1/2 pine, balance oak, ash, gum and cottonwood, situated about 2 miles N. E. of Liberty, part of it right on the Trinity River, and about 7 miles from the Gulf, Colorado and Santa Fe Railroad, the country is level and tramming would be pretty easy, and we will sell the timber for the sum of \$3.25 per thousand feet. The purchasers will have 10 to 15 years in which to remove the timber.

7th. A tract of 640 acres, situated about 12 miles N. E. of Liberty, 2 miles from railroad, about 1/2 prairie, balance timber, and after timber is removed it would make fine farming land, and we will sell same for the sum of \$11.00 per acre. Terms: 1/2 cash balance in 1, 2 and 3 years, with 8 per cent interest. This would make an A No. 1 farm.

For any of the above apply at this office.

## To-morrow's Ball Game.

Perhaps one of the greatest stunts in the athletic way will be pulled off tomorrow, Friday, when the Bachelors and the Benedicts meet in battle at Gladish Park. No one that ever witnessed a base ball game should be absent. There will be professional, semi-professional and others with a knowledge of the game and ability to work out plays, by-plays, traps and all the fine points the game, (but who for other reasons do not take an active part.) will be right here busily engaged. Positively no "bum" playing will be permitted, and anyone who intentionally or accidentally shows the least disposition to play carelessly or in an awkward way will be promptly hooted from the grounds. This game is arranged to show the people of Jackson just what good base ball playing is and will no doubt cause an increase in the attendance hereafter. The proceeds of this game will go to the Cemetery Association fund. Remember that you had better go in the gates early and avoid the jam. The game will start promptly at 2 o'clock and if you want to get close enough to see everything you'll have to hurry.

A revival meeting is to begin next Sunday at the Baptist church in Jackson, Mo. Dr. D. P. Montgomery, State Evangelist will do the preaching. The public is cordially invited to attend these services.

It is now expected that the corner stone of the new Methodist church at Jackson will be laid Thursday June 4th at 10 A. M. by Dr. W. F. McMurry Church Extension Secretary of Louisville, Ky. The uncertainty with which the railroads forward the stone for the church makes a definite announcement out of the question. The car contained the corner stone as shipped from Bedford, Ind., May 13th and should have been here some time since. Dr. McMurry will preach at the Methodist church Wednesday night June 3rd. at 8 p. m. and lay the corner stone next day, if the stone comes. Everybody invited to attend both services.

## ATTENTION BREEDERS!

I will have at my barn in West Jackson for the season of 1908 for breeding purposes 2 stallions and 8 jacks. Percheron stallion Mike, 4 years old, 16 1/2 hands high, sired by Cheri No. 37762. Mike has the best of style and action, he is wide out, with good ends, springy ribs and heavy, clean flat bone, and big foot, just the kind to breed from to raise large roomy mares to breed mules from.

Also have Black Mark, known as the Dick Hoffmeister stallion; 4 years old, 15 1/2 hands high. He is a harness stallion sired by the famous Blacklock.

The eight jacks are simply as good as the best. Five of them are jacks that I kept in the barn last year and three of them are such noted jacks as Ben Stenwinder, Dandy Jim and Big Isaac, all proved breeders.

Come and see my stock before breeding elsewhere. Soliciting your patronage, I am, very respectfully,  
W. F. Schade,
